

Dear Mr. Tim,

I'm 42 years old, and I enjoy ham every day.
Today's QSO (between Mr. Tim and I.) is the
1st. contact to American East Coast for me.
I'm very grad, and I'm still now.

If I visit to Pennsylvania someday, I'd like to enjoy
DX-pedition with you, so recently I begin ~~study~~ study
English. ("Study": including get 2nd Class licence)

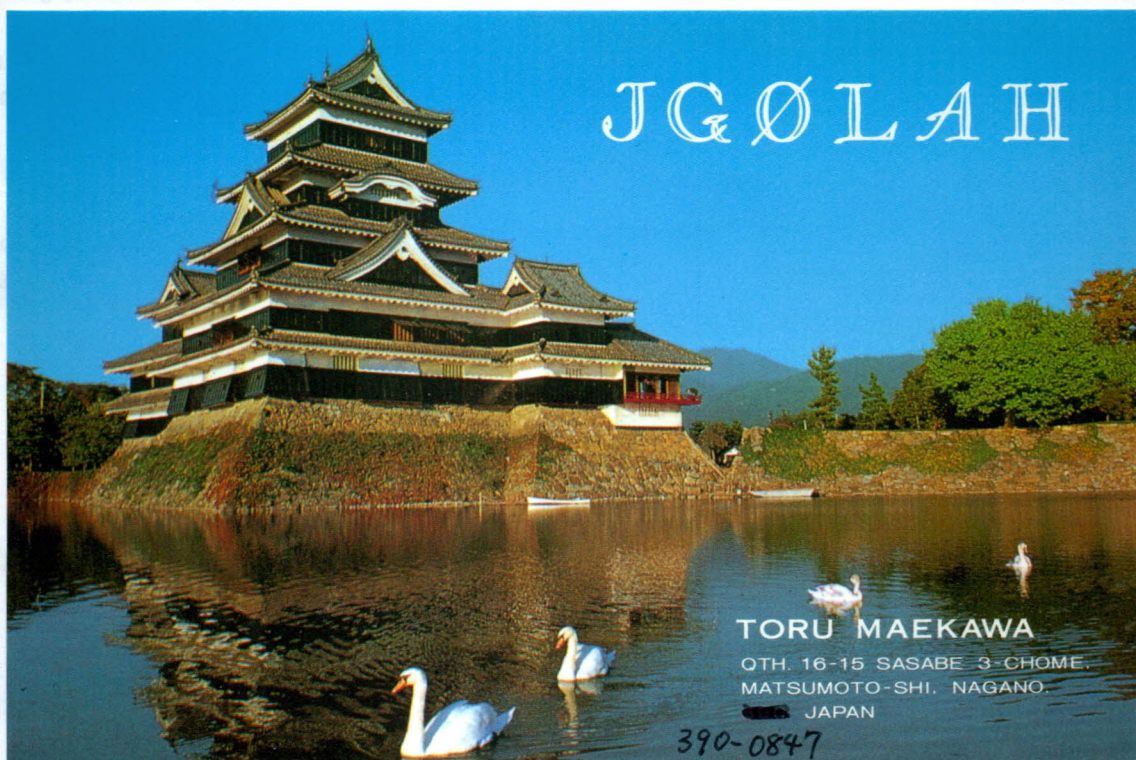

See you again. Please say hello to your family
and friends. 73!
